1.1.1.7 MANUFACTURER'S CERTIFICATION STATEMENT (American Recovery & Reinvestment Act of 2009)

This Manufacturer's Certification Statement applies to P.H. Tech's exterior patio doors and provides verification that certain products meet the energy efficiency criteria for tax credit as stated in the American Recovery & Reinvestment Act of 2009. Eligible products for tax credit having a U-Factor of 0.30 or less and a Solar Heat Gain Coefficient of 0.30 or less are identified below.

This document should be retained by the tax payer along with the temporary NFRC label and the purchase receipt, as it may be requested from the IRS in the event of an audit. The tax payer should visit the IRS web site for additional information on how to qualify for tax credit.

This Manufacturer's Certification Statement is not a substitute to the requirements of the IRS to obtain tax credit. Moreover, PH Tech disclaims any responsibility or liability regarding the homeowner's ability to obtain tax credit. The homeowner should always consult a professional for legal or tax advice.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
